

# Total Sheet - Spiritual Gifts Discovery Inventory

**Step One:** Enter your “3,” “2,” “1,” or “0” numerical value of each response under the corresponding statement number. For example, for statement #1 of the inventory you would place your response in the blank with a number 1. Repeat for #2 as you work down the column. When you finish a column, move to the top of the next column.

**Step Two:** When you’ve completed entering all 255 responses, add up the “3,” “2,” “1,” or “0” numerical values across each row, placing the total in the Total column on the right side of the Total Sheet.

**Step Three:** Use the alphabetical key provided in the pocket of this inventory booklet to find the Spiritual Gift name for each row.

**Step Four:** Transfer your totals for each Spiritual Gift to the questionnaire.
