Other...comments or discoveries about the results of the inventory?

Spiritual Growth

At what stage or stages do you see yourself on when thinking about your spiritually journey?
(check as many as you think apply)

_____ SEEKING - *I have little religious experience; I am in the beginning stages of learning process.*

_____ GROWING - *I have an understanding of the basic tenets of Christian faith, and now I am working on applying my faith to personal life; I feel like I still have much to know.*

_____ STABLE - *I have a working knowledge and understanding of the Christian faith and how it applies to my life. Church involvement is a high priority for me. I find I am uncomfortable sharing my faith openly with others.*

_____ MODEL - *I have an intimate understanding of my faith and a high commitment to its place in daily life. I have experienced a call to personal ministry. I have a desire and willingness to share my faith with others.*
