

My Last Spiritual Will ど Testimony

One generation commends your works to another; they tell of your mighty acts ... They tell of the power of your awesome works – and I will proclaim your great deeds.

Psalm 145:4-6 King David, speaking to the Lord

NOW THAT I AM GONE...

The fact that you are reading this means that I have gone, and you are now settling matters of the estate. The instructions for this were to give it to you after I am gone. I pray this process is not painful for you. I want to assure you that you do not need to be concerned for me now. In fact, that is the purpose of this document.

More than the material possessions I leave behind, whether large or small, is something I want you to know about and pray you will pass on to your children, grandchildren, and great-grandchildren as well as friends who will listen. What I have of greatest value to me is that I put my trust in Jesus Christ and sought to follow him in my life. And that has made all the difference.

Because I love you and want the very best for you, this "spiritual legacy" is something I hope you and your loved ones take to heart, ponder in your own hearts, and make similar decisions for yourselves. With that, let me tell you the greatest story of my life ...
